Der Präsident

October 10th, 2012

Dear Mr. Kahwagi Gastine,

In the name of the German Golf Association I sincerely congratulate the Mexican Golf Federation and their national team on winning the silver medal at the Men's World Amateur Team Championship in Belek, Turkey, at the beginning of October.

The Mexican team showed everybody that they are world class amateur golfers. It was a pleasure for our men to compete against them. Your athletes certainly are great ambassadors of our wonderful sport.

I wish the Mexican Golf Federation a further successful future.

Kind regards,

Hans Joachim Nothelfer
